RENOVATION ONGOING

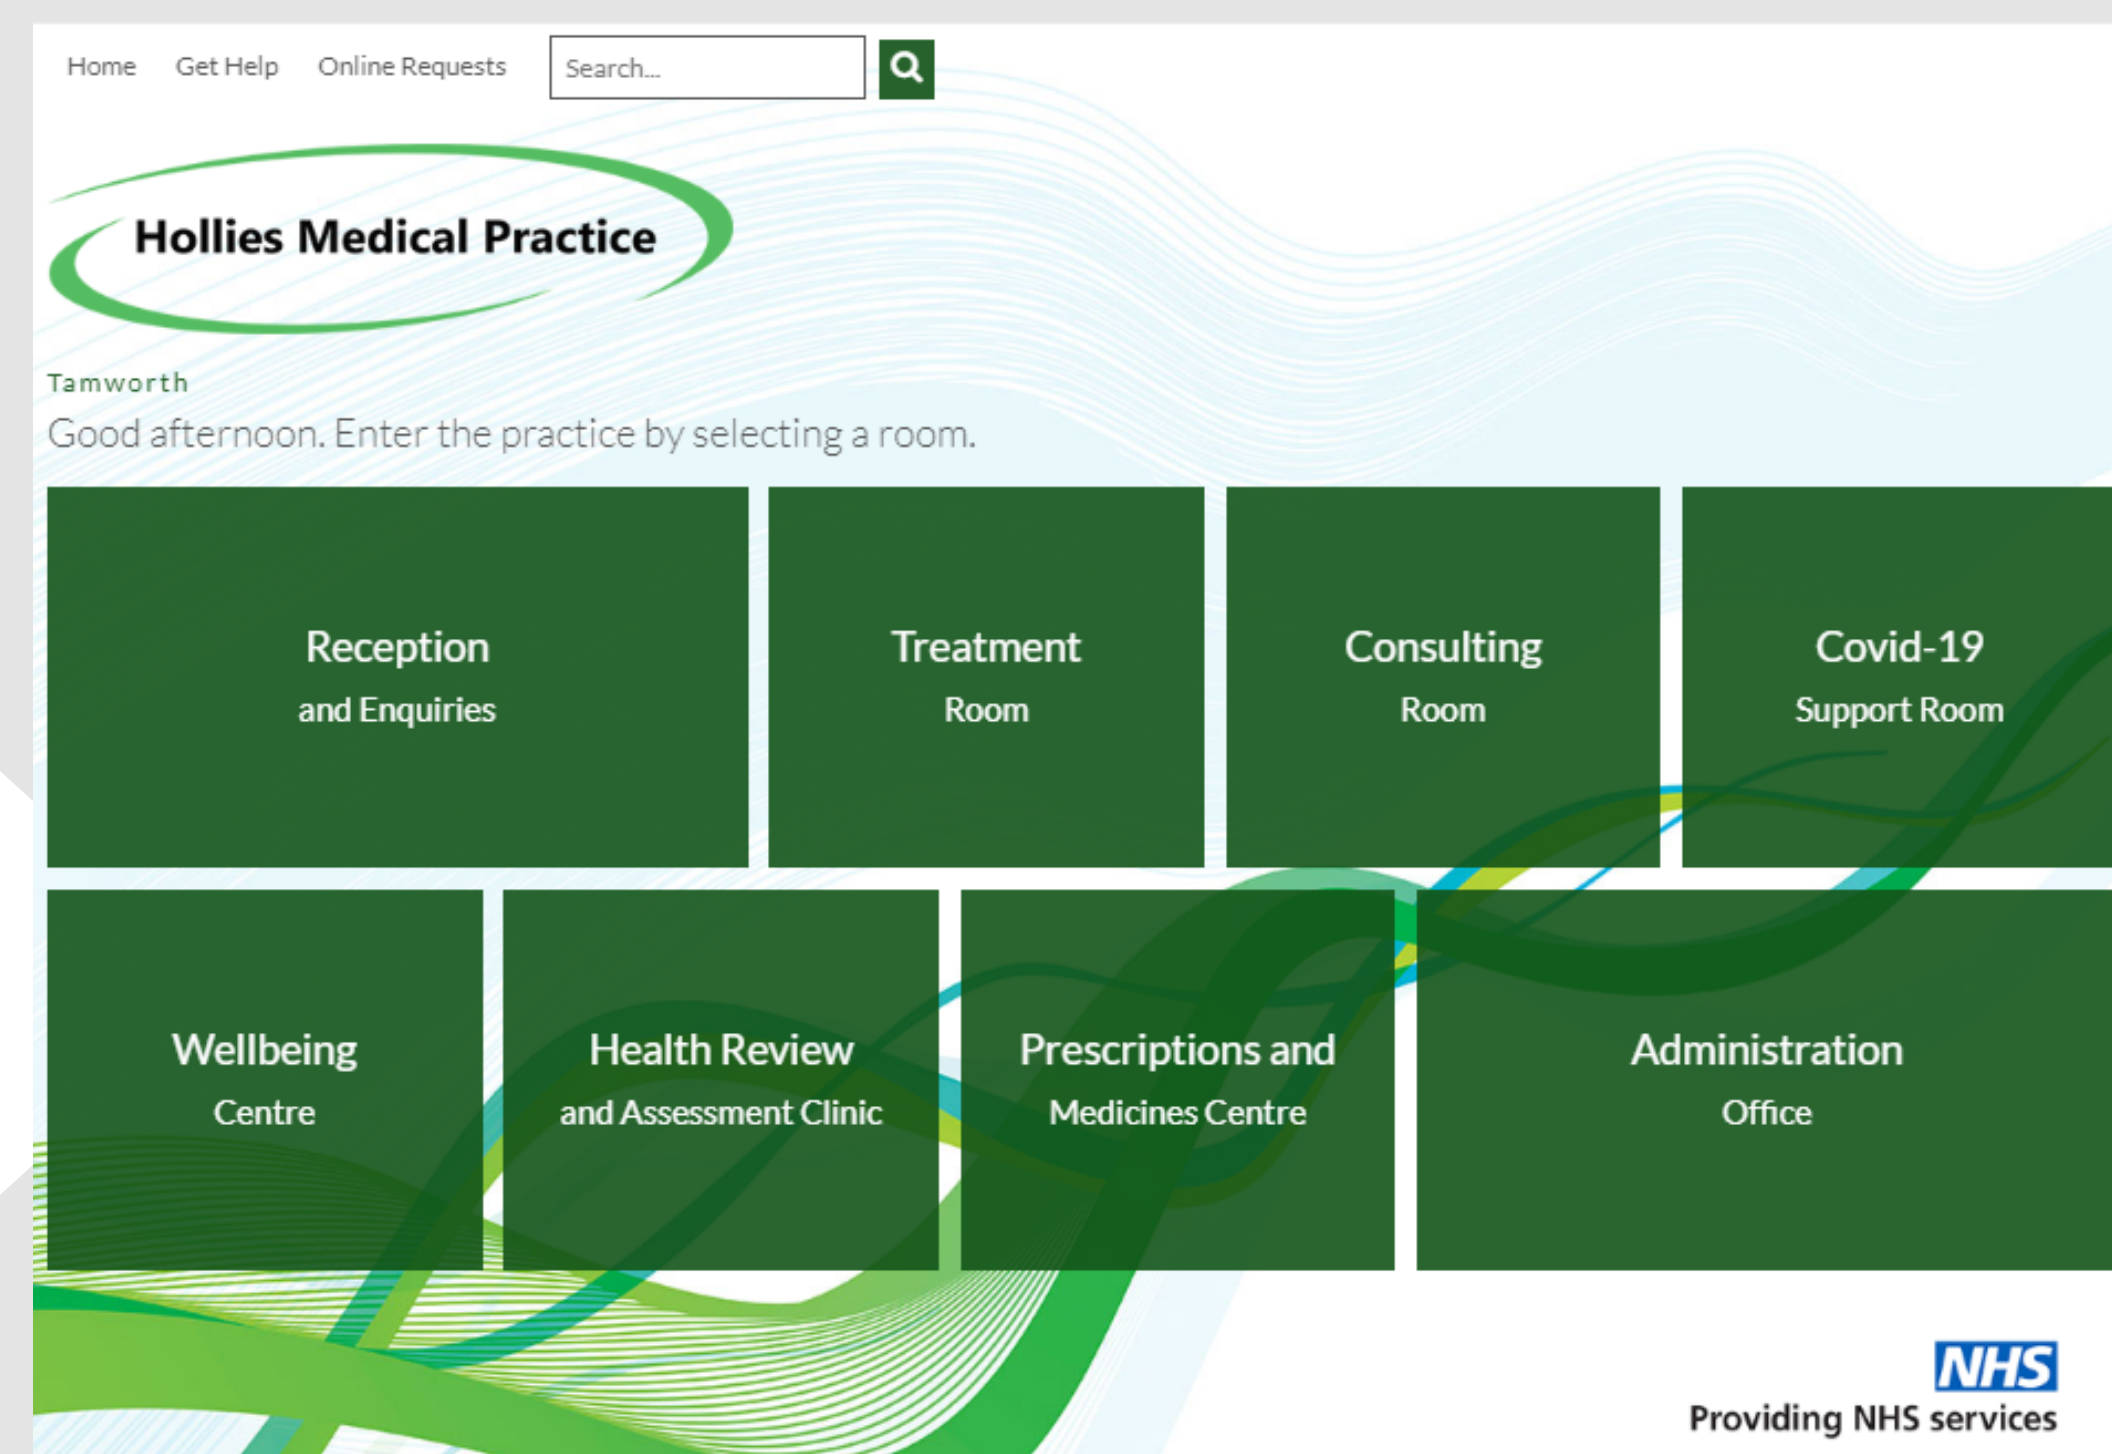

TEMPORARY RECEPTION AREA INCOMING ON THE 8TH APRIL 2024

During this phase of the refurbishment we politely ask all patients to avoid all none urgent visits to the health centre.

Our reception area will be a temporary structure and in place for 6 weeks. This will impact all communal areas and our waiting room.

The most convenient way to contact us during this period and in future is to use our website www.holliesmedical.co.uk
